## **BEN KRUPINSKI BUILDER**

Discerning clients, visionary architects and world-class designers have trusted the firm Ben Krupinski Builder for more than 30 years. Projects for coastal, country and city residences range from new construction of classic or ultra-modern design to general contracting for historic renovations, remodels and seasonal maintenance. Led by principals Stratton Schellinger and Ray Harden, the firm continues serving clients with personal service, swift responsiveness and respect for privacy in the Hamptons, Fairfield County, Westchester and Manhattan.
