**bkbuilder** "The pandemic in one word? "Interesting..." — Ray Harden, Principal, Ben Krupinski Builder with thanks @easthamptonlibrary @avsnewyorkstories for interviewing Ray Harden behind the scenes at @guild\_hall of East Hampton for your "Covid Hamptons" series about how the pandemic reshaped an iconic community. Says Ray, "I love East Hampton. It's probably the greatest place to live. We're a great community. What makes it special is that people come together in times of need." "This video series documents the impact of the COVID-19 pandemic on the East Hampton community from the perspective of individual local residents. Running approximately five to eight minutes in length, each video focuses on the first-hand account of an individual, filmed at their workplace. Each subject discusses their experience weathering the pandemic, the impact on their work and personal lives, how they have changed, and what they have learned. This series is produced and filmed by journalist Andrew Visconti."
